Thanks are due to Members who have donated footage & to Commercial Producers who have given permission for their programmes to be added to the library.

The library is currently being converted to DVD, DVDs will be supplied where available, but VHS tapes will be supplied if DVD copies are unavailable.
After the conversion is complete VHS copies will no longer be available.

Programmes are loaned to NGRS members for a maximum period of two weeks.

Members are asked to return the programmes with a cheque or postal order to cover outward postage & a small donation to cover cost of packing materials.

Programmes are for personal viewing only & should not be shown in public.
Copying is prohibited.
